Yucaipa Equestrian Arena Committee

A 501 (c) (3) non-profit organization

Dottie Potter Memorial Fund

The Yucaipa Equestrian Arena Committee (“YEAC”) invites you to be a sponsor for our Dottie Potter Memorial Fund. The funds donated for this cause will be used to finance a roof to cover the main equestrian arena at the Yucaipa Equestrian Center, in order to make the arena usable year-round regardless of the weather. This was Dottie’s dream to help our community.

Dottie Potter was an extremely important and influential member of the Yucaipa community. She was the president of YEAC and a member of the Yucaipa City Planning Commission for several years, participated on the Wildwood Canyon State Park project, supported the Chamber of Commerce as a local business woman and was involved with many other community organizations. While she was involved in all areas of the community, her passion was for the equestrian community. Her greatest dream was to have a cover installed over the main arena to improve the facility for everyone. While she was with us, she worked tirelessly towards this goal. We now are working to make her dream a reality and honor her positive community influence.

YEAC is dedicated to supporting and maintaining the Yucaipa Equestrian Arena Facility for the benefit of horse lovers and people from this town and the surrounding communities. The equestrian facility is utilized for many different types of horse activities including the Dottie Potter Memorial Open Horse Show for riders of all ages and abilities and our first ever RODEO held in March of 2018! YEAC offers arena cattle sorting events for all riders, and provides the opportunity to learn the basics of working cattle and gain experience to move on to higher level competitions. YEAC also offers fun obstacle course “play days” and other fun events through the year. There are several other equestrian groups currently using the facility, including the Pass Pioneers 4-H Club which provides education and experience to local youth in the care and use of horses. This club has been especially successful, having multiple members qualify for and participate on the California State 4-H team at the Western National Roundup in Colorado every year since 2002. No other 4-H club in California has achieved that level of consistent excellence. The arena is also used by the local California State Horsemen’s Association chapter for gymkhana competitions and other group events. The San Bernardino Sheriffs’ Mounted Posse uses the facility for specialized mounted police training and welcomes the public to observe. The Yucaipa Equestrian Center is used by other groups as well for clinics, meetings and various community events. For information on all the arena activities, visit our website at www.yucaipaequestriancenter.com.

YEAC is a non-profit 501 (c) (3) organization run completely by volunteers. YEAC has had a Memorandum of Understanding with the City of Yucaipa since 1999 to manage the City owned facility. All donations are tax deductible and go directly for improvements to the facility.
