

YEAC Yucaipa Equestrian Arena Committee

P. O. Box 802

Yucaipa, CA 92399

A 501 (c) (3) non-profit organization

SPONSORSHIP & DONATION INFORMATION

The Yucaipa Equestrian Arena Committee (“YEAC”) invites you to support our efforts to maintain and improve the Yucaipa Equestrian Center. YEAC is dedicated to supporting the Yucaipa Equestrian Arena Facility for the benefit of horse lovers and people from this town and the surrounding communities. The equestrian facility is utilized for many different types of horse activities, and is especially important to our local young equestrians.

There are multiple equestrian groups currently using the facility, including the Pass Pioneers 4-H Club which provides education and experience to local youth in the care and use of horses. This club has been especially successful, having multiple members qualify for and participate on the California State 4-H team at the Western National Roundup in Colorado every year since 2002. No other 4-H club in California has achieved that level of consistent excellence. This 4-H Club is also the first club to develop an official equestrian drill team which has performed at multiple events throughout the State for several years.

The arena is also used by the local California State Horsemen’s Association chapter for gymkhana competitions, the Yucaipa horse show group for open shows for youth and adult riders, and other group events. The San Bernardino Sheriffs’ Mounted Posse uses the facility for specialized mounted police training. YEAC provides arena cattle sorting events for all riders, and offers the opportunity to learn the basics of working cattle and gain experience to move on to higher level competitions. Other groups use the facility for practice, clinics, meetings and community events. For information on all arena activities, visit our website at www.yucaipaequestriancenter.com.

All donations will go to improve and maintain the equestrian facility, and provide more opportunities for local equestrians, both youth and adult. All activities are managed and supported completely by volunteers.

YEAC is a non-profit 501 (c) (3) organization run completely by volunteers. YEAC has had a Memorandum of Understanding with the City of Yucaipa since 1999 to manage the city owned facility. All donations are tax deductible and go directly for improvements to the facility.
