

About the creator

Hi! My name is Karly Lundgren, I'm 14 years old, reside in Yucaipa Ca, and love my horse and mini horse Raven and Ike, I decided to start True North Polos because I enjoy being creative, I decided I wanted to make bright, colorful, and one in a kind polos to help horse and rider bring something new to the show ring, trail ride, barrel race, cow sorting, or anything really!

Here is Ike rocking his Red mini polos!
