We Raise the Roof...

The Yucaipa Equestrian Center is managed by the Yucaipa Equestrian Arena Committee, Inc. (YEAC). The YEAC is a non-profit 501(c)(3) organization started in 1997 by community volunteers to promote the use of the Yucaipa Equestrian Center, to preserve, maintain, and improve the facility and to involve the community in equestrian activities such as 4-H, horse shows, clinics, seminars, gymkhana, etc. The committee is dedicated to keeping the rural atmosphere alive in Yucaipa for the benefit and enjoyment of our residents and also for those of our surrounding communities. YEAC is a cooperative community project of the City of Yucaipa. All monetary donations are used exclusively for improvement to the Park and for operating expenses. No compensation is paid to the officers or directors of YEAC.

Our ultimate goal is to install a cover over the main arena to improve the usability of the park. This cover will be built in memory of Dottie Potter, our longtime YEAC president, community icon, accomplished equestrian and wonderful person whom we tragically lost in 2014. All funds raised go directly to support the park.

President – Kathy Utley

Vice President – Bob Potter

Secretary – Patti Palmer

Treasurer – Wendy McEuen

Our Youth...

Do You Have Grit?

Well these kids do! Presented are two Jr. Rodeo events that support our western heritage and instill sportsmanship and comradery. within the youth of Rodeo today.

Mutton Busting, is a timed event, that demonstrates these children's balance and athleticism. Riders can be male or female and between the ages of 2 years old to 7 years old, depending on the organization. These little buckaroos have to ride their sheep for 6 seconds without falling off to receive a score by the judges. Winner takes all in Rodeo and these little cowpokes give their all, every ride.

...Have Grit

Calf Riding is the next step up the Rough stock ladder for these kids. These mini cowboys and cowgirls, the ages between 7 years old and 10 years old; try their hand at riding a 300lb to 500lb calf. They too are timed, and have to stay on for 7 seconds to receive a score from the judges. These kids are serious, and they show it in their rides. Most of the kids riding belong to a state wide Jr Rodeo Organization and will further ride with Jr./Sr. High School Rodeo.

Our Barrel Racing Event...

Barrel racing is a timed rodeo event. The team of horse and rider must complete a pattern called a clover leaf which is created by running around three barrels set up at specific distances in an arena. This means that there is a precise measured distance between the start line to the first barrel, the first barrel to the second barrel, and finally the second barrel to the third barrel. The person whose horsemanship skills combined with the athleticism of his or her horse, completes the triangular pattern with the fastest time wins the event.

The timer begins recording when the start line is crossed by the swift moving horse, and it ends when the barrel pattern has been completed and the horse and rider blaze back across the finish line.

Our Rodeo Queen Contestants...

Karissa Cook, Sr. Miss

My name is Karissa Cook and I'm 16 years old and in the 11th grade. I was born and raised in the Cherry Valley/Beaumont area. My strong love for animals, especially horses, started before I was a year old. At age 4 I began taking riding lessons and have been riding horses ever since. Currently I have one horse, two goats, and a black lab. My goal is to have my own rescue ranch/training facility and to become an equine and large animal surgeon.

I'm Kayla Rhodes and I'm a 16 year old junior at Beaumont High School. I've been riding since I was 5 years old and I love trying new things with my horses. When I'm not riding my horses I work at local ranches around town helping to exercise horses or working out their issues. I have competed in gymkhana, showing, jumping and I've been in 4-H for many years. My goal is to one day compete in the Olympics.

Jaylah Coulter, Jr. Miss

Hello, my name is Jaylah Coulter and I have been a proud member of the Pass Pioneers 4-H for the last 4 years. I am in the 6th grade and currently have a 4.0 GPA and in AVID. I am actively engaged in our club's sheep, market goat, dairy goat, horse, vet science, and photography projects.

Also, I started a gardening club at my middle school to help teach people how to grow healthy food that will help them be strong and fit. I feel super blessed to be here to represent the Yucaipa Equestrian Center and the 'Raise the Roof' rodeo this beautiful evening. I hope you enjoy the rodeo and have a great night!

Hello, I'm Nicole Bell, a 14-year-old 9th grader from Temecula, Ca. I attend Great Oak high school and I'm a part of the equestrian team at my school and I take pride in maintaining a 4.0 GPA. Our Professional Trick Rider...

Brandi Phillips has served as the featured performer and lead trainer of the Riata Ranch Cowboy Girls from 2003 to 2016. The Riata Ranch Cowboy Girls have four times finished among the top five as the Professional Rodeo Cowboys Association's Dress Act of the Year, and Phillips has led that charge. In 2010, Phillips was named the champion of the inaugural, invitational North American Trick Riding Championship, which was held in conjunction with the Royal Winter Fair in Toronto, Canada. Phillips followed that up by teaching trick riding clinics across Australia in 2011-12.

At the invitation of Queen Elizabeth II, Phillips and the Riata Ranch Cowboy Girls trick roped at her 2012 Diamond Jubilee Celebration in Windsor, England, in tribute to her 60-year reign. Phillips has performed at a number of the most prestigious and award-winning professional rodeos in America each year, the California Rodeo-Salinas, Pendleton (Ore.) Round-Up, Reno (Nev.) Rodeo, Dodge City (Kan.) Roundup and Rooftop Rodeo in Estes Park, Colo., to name a few. Brandi and her horse Apollo are now showcasing their talents as a solo act!

Our Country Star's...

The Silverados, southern California's premier country rock cover band, recently chosen to open for Tim McGraw and Montgomery Gentry, have been rocking country music since 1992. Classic and current country influences from Merle Haggard and Johnny Cash to Carrie Underwood

and Tim McGraw, shape The Silverados playlist. The band also mixes in classic rock hits from groups like The Beatles, Eagles, and Doobie Bros, to round out a wide variety of music. The Silverados will appeal to many music lovers and are perfect for almost any event.
